*Dear Gary:*

*Thank you for helping to make successful the “Party Like a Rock Star” – G-Day 2010 at Gadsden State. We had a wonderful celebration of our school year on a lovely day. The tee shirts are very popular! Color and design were perfect for what we wanted to accomplish. I only have about one dozen left, and students come in every day asking for more. It is a very popular souvenir of our event. Many faculty/staff continue to wear those throughout the year on our logo-Fridays.*

*Thank you for working with us. This was a difficult one, but we settled on the perfect reflection of the theme. I appreciate so much your time and effort. We appreciate your continued support of our programs at Gadsden State. Thank you for all you do.*

*Best regards,*
